Donations

Every hour of every day of the year, someone dies of melanoma. It is the most common form of cancer in the United States. More than 3.5 million skin cancers in more than 2 million people are diagnosed annually with approximately 5700 deaths in men and 3000 in women. Over the past 31 years, more people have had skin cancer than all other cancers combined. Melanoma strikes people of all ages, races, all economic levels and both sexes. While melanoma is the most deadly form of skin cancer, it is also highly preventable and treatable if caught early. Sadly, there is no cure for this aggressive disease.

We invite you to join us in our quest for a melanoma cure by making a donation to the Bill Walter III Melanoma Research Fund. You can make a difference. All donations are tax deductible and no amount is too small. Please accept our gratitude.

In Memory of Bill

Bill Walter III was a resident of Ormond Beach, a
graduate of Spruce Creek High School, husband, father
and an athlete who enjoyed many sports.

In January 1995 Bill was diagnosed with level 5
melanoma. In August 1998 friends, family and
classmates rallied together to bring the first annual Bill
Walter III Melanoma 5K to Ormond Beach with Bill
and his family there. Three months later Bill lost his battle with
this dreaded disease. The battle continues as Bill’s
positive spirit lives on in the hearts of those who are trying
to help find a cure for melanoma. The 18th annual run,
RayZ Awareness, will take place on the beach at the
Granada Beach approach. Teams, walkers and walking
groups are welcome. Donations are gratefully accepted.
The money raised during this event will be used to help
fund melanoma research, assist patients in need of
financial support and to increase melanoma awareness.

WALK OR RUN IN HONOR OR MEMORY OF
